# Help your child return safely to school

**Start the school year off right. Make sure your child is caught up on their annual well visits, shots and dental appointments.**

Did your child miss a check-up during COVID-19? No problem. Whether it's in person, over the phone or on a video call, your medical or dental offices can help you set up a visit.

Annual visits can help your child's doctors, nurses and dentists get to know them better. They are also a great way to catch up on vaccines and ask questions about your child's health.

It's more important than ever to keep your child healthy and strong. The best way to ensure your child has a safe return to school is to talk to your doctor about COVID-19 prevention and stay up-to-date on:

- Well-child visits
- Dental appointments
- Immunizations

Visit <https://bit.ly/388nuN5> to find resources for you and your family, learn more about your child's EOCCO benefits and get tips on going back to school.

## Questions?

We're here to help. Please call 888-788-9821 (TTY users, please dial 711) or email us at [EOCCOmedical@eoocco.com](mailto:EOCCOmedical@eoocco.com).

You can get this document in another language, large print, or another way that is best for you. You can also have a language interpreter. Call 888-788-9821 (TTY/TDD 711).
