EASTERN OREGON
COORDINATED CARE
ORGANIZATION

Welcome to the EOCCO Community Advisory Council!

You are the heart of our mission!

The EOCCO CAC works to ensure OHP members living in Eastern Oregon have access to affordable, high-quality care. This access to care will help members to have better health and wellness.

The EOCCO CAC focuses on the health needs of the region. By working together, we make sure practices are in place to provide the best care and support possible.
