Public Comment:

- The member mentioned she is trying to help a woman get into inpatient treatment and is worried and losing her house if she went into it. Jill mentioned she will be able to put her in contact with someone that could help her secure her home
- A member asked if there was a way that someone would be able to help get people who have the QMB to other appointments out of town.
- Another member asked if there was any other place besides Grande Ronde Recovery and CHD that take OHP for mental health services.

EOHLA Call to action Oregon: Eastern Healthy Living alliance asked if the board members on the board would be willing to sign on to the Climate health and equity that is going around. Lisa represents the Union County LCAC and wanted to bring it back to the CAC to see if we would approve her signing on. People can sign on individually. The Union County LCAC would not like to give to the go ahead on this.

Incentive Measure Report: We have the most recent incentive reports in front of us. This is all

Of the 2019 data right now. Union County is in the green zone which is good. Jill passed out another page and we are looking at if we think we will be able to meet these measures by April 1st or if we are optimistic about meeting it or if we won't. We are worried about not meeting the combo 2 immunizations, dental sealants, also the emergency department ed utilizations, mental services, diabetes HbA1c poor control, CAHPS access to care adults and children.

LCAC Chair Position: Jen Goodman and Rochelle Hamilton are co-chairs.

RCAC Announcement: The RCAC meeting will be held March 31st in the Dalles

Community Benefit Report and LCAC Support Dollars: We are almost to the end of our grant year. Most of the projects have already spent down their money. We are reallocating \$5,000 from the \$10,000 Warming Station funds to pay for part of the construction. Other than that things are looking good.
