Approval of December Minutes: Carrie Brogoitti approved, and Debra Bell seconded it. Motion Passed.

Public Comment:

- GOBHI provides a money management program. It assists people with paying their bills, but it will no longer be available. Please reach out to GOBHI if anyone has any clients who were in this program and they can help navigate people to other resources.
- One of the projects that we have applied for to support was a Lactation Support Group. They are turning to the LCAC to help come up with a name for the group. It will be held twice a week down at the Grande Ronde Pavilion.
- A member reported that her grandson will be having dental surgery and one thing that dentist said he must have a pre authorization sign off before he can have his surgery done.
- Head Start Lice Kit Policy- Right now Head Start is in the process of updating their policy. They are working. They made a motion to approve the policy draft, Carrie Brogoitti made a motion and Josh Brownwell seconded it.

Incentive Measure Report: We have the December incentive measure report. Even though December is the last month of the year it doesn't mean we are not done pulling data. The numbers that we have here are not the final numbers. We probably won't have our final numbers until May. We have made the EOCCO Dental Sealant measures.

Demographic Survey: With the changes of EOCCO 2.0 we will be required by the state of Oregon to provide a demographic survey. Even if you are not a LCAC member currently we still would like people to fill that out.

LCAC Chair Position: The LCAC Chair is open for election. We will do an email outreach and vote February

Community Benefit Report and LCAC Support Dollars: The 2020 grant application has been sent in. The Warming Station did not get appealed, but the lease still has not been signed. They are making some adjustments to the policy manual and will be meeting with Jason Kehr and Chief Harvey to look at it again to make sure everything looks good on it. Better Homes Construction is going to be coming in to get some work done on it also. Volunteer trainings have not been scheduled yet but will be soon.
