Discussion	<p><b>EOCCO Updates- Tracey Blood</b></p> <p>Community Health Plan Update- SHP- Statewide Health Plan: Top 5- Institutional Bias; Adversity, Trauma, and Toxic Stress; Behavioral Health;</p> <p><b>Changes:</b>  <u>Priority Issue #1:</u> Childhood Development, Education &amp; ACE Prevention          Problem Identified: Childhood development, Education and ACE prevention is critical and is foundational in importance for producing healthy productive individuals.          FRED- 1.7% Poverty Rate for children ages 0-17.  <b>Action Plan: needs to be changed</b></p> <p><u>Priority Issue #2:</u> Behavioral Health: Service Access and Availability          Problem Identified: Adversity, Trauma, and Toxic Stress and Substance Abuse Prevention Services. Lack of access to services. Make healthcare accessible and affordable for all.</p> <p><u>Priority Issue #3:</u> Social Determinants of Health (SDoH)          Problem Identified: Economic stability, education access, quality health care access, and quality neighborhood and built environment, social and community context. Food, housing, day care, and transportation.</p> <p>LCAC will continue to work on these over the next week.</p> <p>Community Behavioral Health Plan- Due June 30 to OHA. Date may have been extended. CCS does not provide specialized behavioral health in Wheeler County, if the LCAC can help affect change in this area would be wonderful.</p>
