DISCUSSION	**Word on the Street**
	- Autumn shared about CAC Conference – Curry County has a mobile unit and travel to different parts of the county to deliver services – food, hygiene kits, clothing etc. Amy- when HOW Van is back up and running, maybe we can build on that idea here! - Locals discount card idea – CAC member suggested a local discount card for Wallowa County residents to receive lower pricing than tourists – "Kick Back" is one example. - VA Clinic will open locally again on Tuesdays for face to face care without appointments!
ACTION	**Approve May Minutes**
	Unanimously approved.
DISCUSSION	**2021 CBIR Funds Update**
	- Money didn't arrive until Monday, June 7th. 4 projects ready to be funded, 2 have invoiced and checks have gone out. - Hope to have some data gathered by July 16th reporting deadline.
PRESENTATION	**EOCRN Update – Maria Weer**
	- Shared about requests open and filled. - Discussion – how do we get knowledge of this network out to the community? We don't want it to be a Wallowa County Free Classifieds. Maybe market to Civic Groups in our community? Don't want to broadcast it too widely…

	• Still need an LCAC member to serve on the EOCRN steering committee. Ideally a consumer. Autumn will send out a reminder.
PRESENTATION	**Medicaid Section 1115 Waiver update – Estela Gomez**
	• Current waiver ends June 30, 2021. • Several engagement panels are occurring between now and then. • Estella is available for any questions we have!
DISCUSSION	**Other Discussion/Agenda Items for consideration**
	• June 22 RCAC Meeting • Linda will send Autumn information to share • July/August meetings cancelled! Enjoy your Summer and see you in September.

Next Meeting: September 9, 12 Noon. Virtual TBD!
