

Oregon Advance Directive & Declaration for Mental Health Treatment

A training by Eastern Oregon Coordinated
Care Organization

Thinking about advance healthcare wishes for yourself or a loved one?

EOCCO's Advance directive online Training teaches you how to talk with loved ones about your wishes and choose a person to make healthcare decisions for you if you can't.

The free online training will help you:

- Share your wishes with your love ones know your health care wishes
- Remove the burden of making difficult healthcare decisions from your loved ones
- Guide them in honoring your wishes

You'll also learn about Oregon's Declaration for Mental Health Treatment, a tool for sharing your wishes at a time of crisis.
