EASTERN OREGON  
COORDINATED CARE  
ORGANIZATION

# Welcome

## The purpose of today's meeting:

- Share information about the Eastern Oregon Coordinated Care Organization (EOCCO) and the transition to CCO 2.0
- Receive feedback from the community about the Eastern Oregon Coordinated Care Organization
- Provide the opportunity to our communities to share comments or questions with the Eastern Oregon Coordinated Care Organization staff and leadership

# Help us use this time effectively

- There are mandatory topics we are required by the Oregon Health Authority to cover.
- Refer to agenda for structure of the meeting.
- Please hold comments/questions until the end.
- Please participate when we open the floor. We want to hear from you!
- Be respectful of one another. Please only one person talking at time.
- Please limit comments to 1-2 minutes so we can give the opportunity to speak to as many individuals as possible.

# Who We Are

- The EOCCO received its first contract from the Oregon Health Authority in 2012 to administer Medicaid services in Eastern Oregon.
- We currently provide Oregon Health Plan services in 12 Eastern Oregon counties:

ORGANIZATION

# CCO 2.0

**eocco**  
EASTERN OREGON  
COORDINATED CARE  
ORGANIZATION

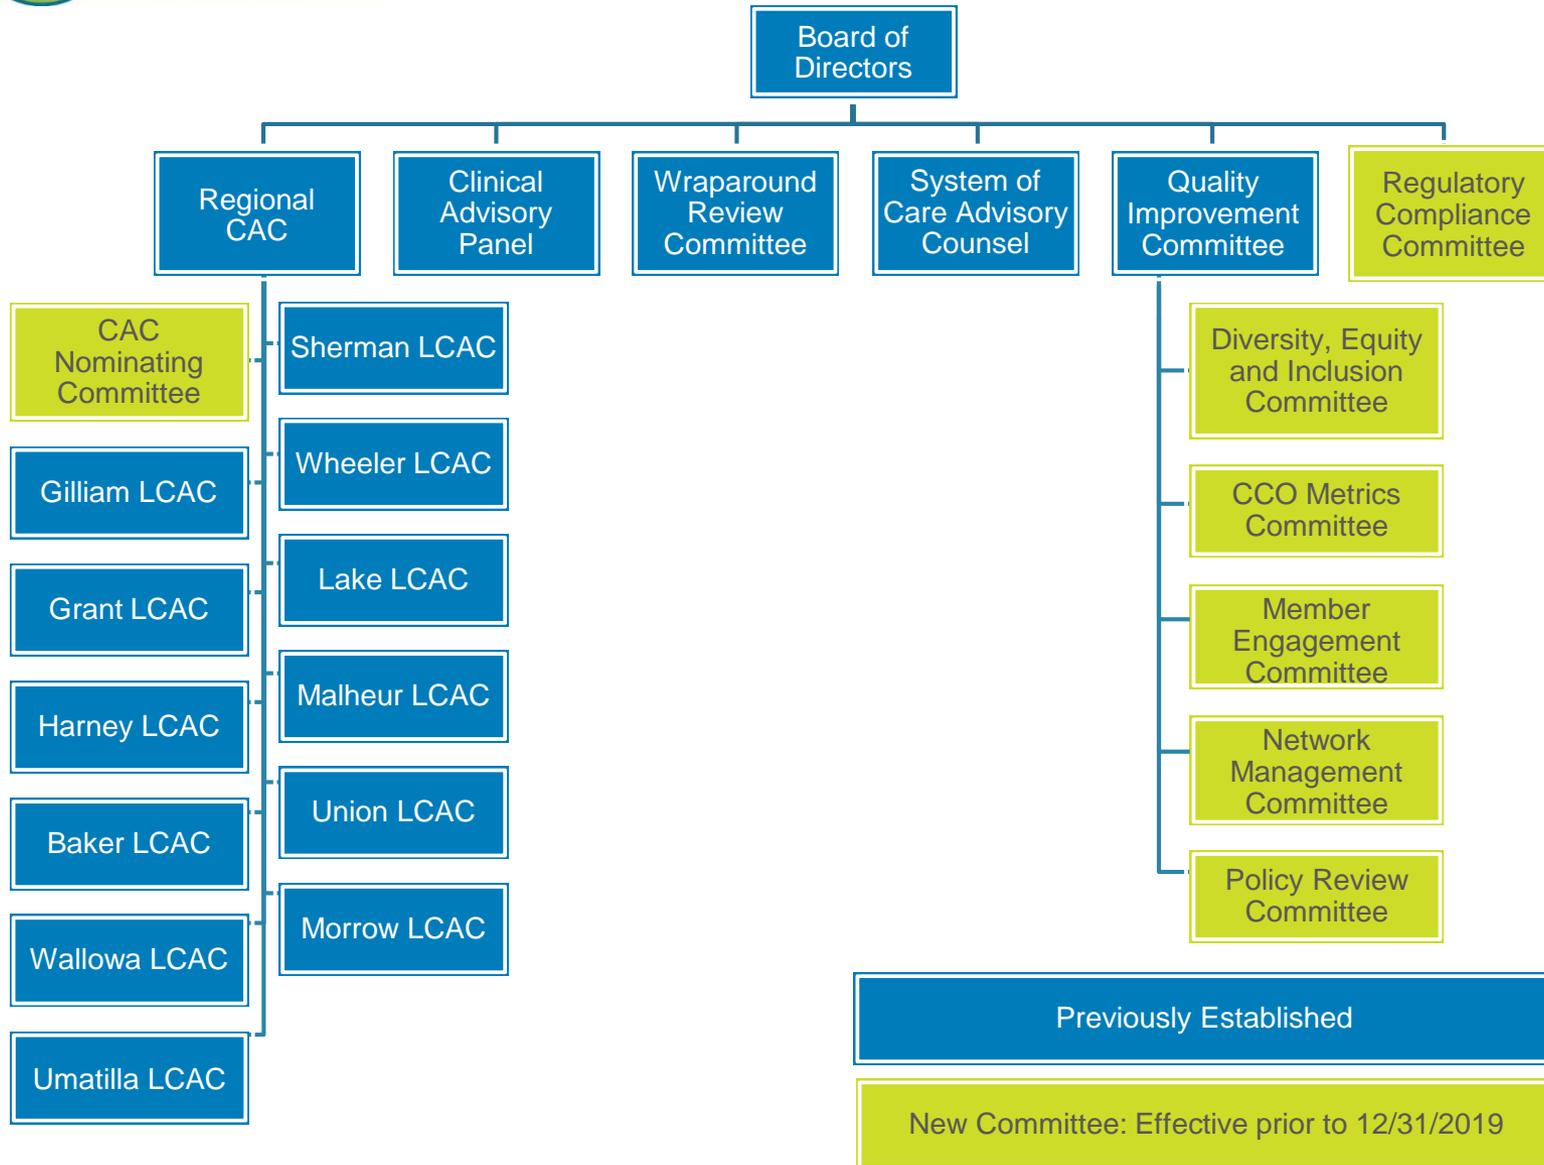

# Organizational Chart

*Effective: July 2019*

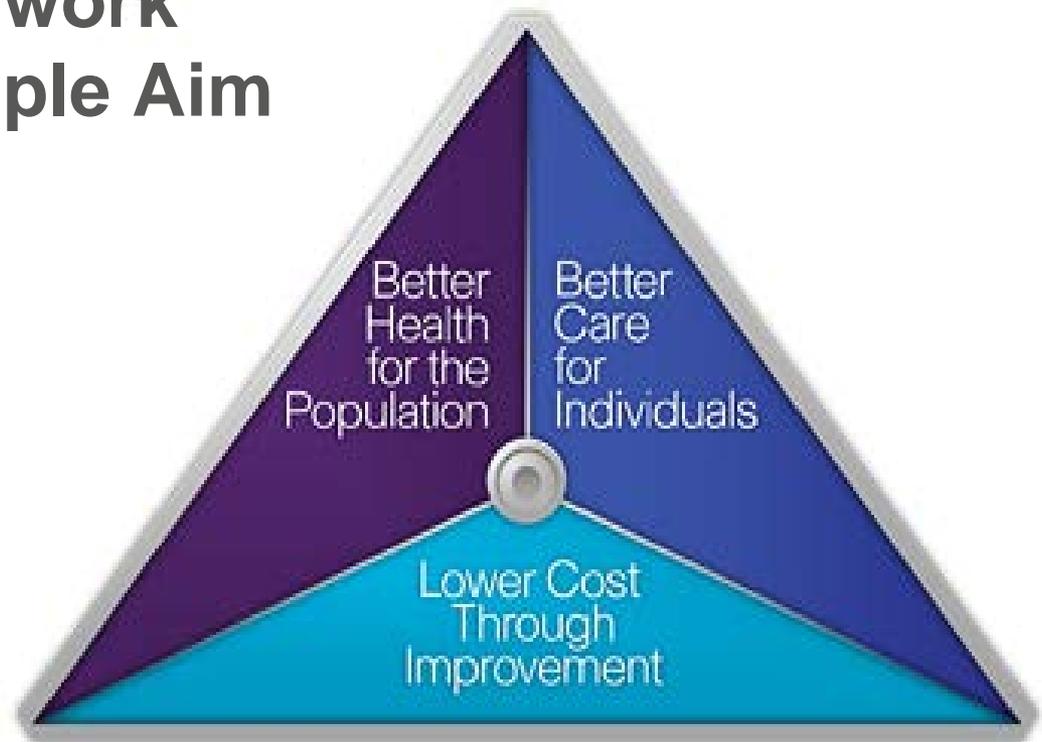

# Committee Structure

# Areas of Focus for CCO 2.0

## We continue to work towards The Triple Aim

- Better health
- Better Care
- Lower Costs

# Social Determinants of Health & Health Equity

- Health Equity
  - Everyone has the opportunity to obtain their highest level of health
- Social Determinants of Health
  - Where we live, learn, work, and play and how these areas of our life influence our overall health

## Examples may include...

- Kindergarten Readiness
- Expand Access to Telehealth
- Community Health Workers Located in Emergency Departments
- Naloxone Distribution/First Responders
- Expand Access to Safe Affordable Housing
- Complex Behavioral Health Needs:
  - Expansion of MAT (Medication Assisted Therapy)
  - Pain School
  - Improving Access to Care (“No Wrong Door”)

# Community Engagement

**How the EOCCO connects with our local counties to support our communities, members, and providers.**

- Early Learning Hubs/  
Parent Education Hubs
- Tribal Outreach
- Patient Centered Primary  
Care Home Support
- Consumer Caucus
- Behavioral Health Quality  
Improvement Committee
- Member Voice
- Support for LCAC's/RCAC's
- Health Equity
- Community Health Assessment
- Community Health Plan

# Value Based Payment

Payment to healthcare providers based on the quality of the care they provide, instead of the quantity of the care they provide.

## **EOCCO Value Based Payment History:**

- 2013 Implemented Per Member Per Month Case Management Payment for Patient Centered Primary Care Homes, based upon the clinic's 'Tier' Level
- 2014 Implemented Shared Savings Model – limited to Hospitals and Primary Care
- 2015 – 2016 Shared Model was Enhanced
- 2016 – 2017 Four Funds were Created
- 2017- 2018 Surplus Funds Reallocated
- 2018 – 2019 Transition of Fee for Service Contracts to Full Risk Bearing Capitation Model

## **Goal:**

- 70% Value Based Payment by the End of 2024

# Health Information Technology (HIT)

**Allows healthcare providers to more easily share information and monitor patient needs in real time.**

- Health Information Technology Roadmap (Mend, HMS Essette, Facets, MyStrength)
- Connecting healthcare providers data systems throughout the region using a program called Arcadia Analytics. There are 12 healthcare systems and 11 behavioral health programs are currently connected. Our goal is to connect all clinics by 2024.
- Electronic Health Record Adoption for Public Health
- Emergency Department Information Exchange/Pre-Manage Utilization Across System

# Behavioral Health Integration

**Allows consumers to access physical and behavioral health services at the same location**

**How is the EOCCO approaching this transition?**

- Bi-Directional Integration (ex. counselors at your doctor's office, doctors at your counselor's office)
- Value Based Payments (quality of care vs quantity of care)
- Collaborative Care Model Implementation (ex. helping clinics become better able to treat anxiety and depression at your doctor's office)
- Intensive Care Coordination – (ICC) (ex. system experts help families & individuals navigate different services-medical, social, education, etc.)
- Behavioral Health Plan – Due March 2021
