

2019 EOCCO Community Health Plan (CHP) Gilliam County

PRIORITY ISSUE #1: Food Insecurity

PROBLEM IDENTIFIED:

Limited access to fresh fruits and vegetables

Limited access to food

Limited Supplemental Nutrition Assistance Program recipients using their benefits at Farmer's Markets

DATA AVAILABLE:

- Focus Group – Access to healthy foods limited
- 60.7% of students are eligible for free or reduced lunch (State 47.6%)
- Estimated # of food insecure individuals 260
- Estimated % of food insecure individuals 18.9%
- Estimated % of EOCCO members with food insecurity 44.7%
- Estimated % of EOCCO members facing hunger 18.8%
- Estimated that of 184 EOCCO adult members only 45 eat 5 or more servings of fruits and vegetables per day
- Gilliam County Residents (BRFSS 2010-2013) 37.7% ate 5 or more servings of fruits and vegetables per day (State 20.3%)
- There are an average of 93 children enrolled in SNAP on a monthly basis
- There are an average of 265 total people enrolled in SNAP on a monthly basis

GOALS:

1A - Implement the Frontier Veggie RX Program

1 B- Increase Referrals to the Gilliam County Food Pantry(s)

1 C- Establish the Double Up Food Bucks program

ACTION PLAN:

1A 1 – Continue to dedicate LCAC funds to Frontier Veggie RX

1A 2 – Participate on Frontier Veggie RX Regional Advisory Council

1A 3- Serve as local liaison between Frontier Veggie RX Program and local Prescribers and Vendors

1B 1- Work with Community Action Program of East Central Oregon to make certain that Gilliam Food Pantry(s) are well stocked and inform all Frontier Veggie RX consumers of availability and accessibility of foods that are not fruits and vegetables

1C 1- Create a Plan to Fund the Double Up Food Bucks program when Hans brings the Farmer's Market

ESTIMATED BUDGET NEEDED:

To fully fund the Frontier Veggie RX an additional 25% more funds are needed = \$6,570
If all 265 SNAP recipients were to use the Double Up Food Bucks Program at “5” Farmers Markets,
\$ 13,250 would be needed (265x\$10) x 5 Farmer’s Markets

POTENTIAL FUNDING SOURCES:

Eastern Oregon Coordinated Care Organization
Local contributions

PRIORITY ISSUE #2: Early Childhood

PROBLEM IDENTIFIED:

Obesity
Developmental Screens (0-36 month)
Trauma Informed Care Training

DATA AVAILABLE:

- Focus Group- Childhood Obesity
- Incentive Measure – BMI and nutrition and physical activity counseling
- 2006-2009 Gilliam Adults 33% Obese (Oregon 26.9%)
- Incentive Measure – Developmental Screens Gilliam 66.7% 2018 – Met Measure
- 16% of 3-4 year olds enrolled in preschool
- 29% of minimum wage needed for childcare
- Median annual cost of childcare \$6,180
- In 2017 Gilliam Kindergarteners were better or equal to State average for Self-Regulation, Numbers & Operations, Small Letter Names and Sounds. Lower than the State in Interpersonal Skills and Total Approaches to Learning
- Adverse Childhood Experiences/Events lead to poor health later in life

GOALS:

2A- Increase data available to track Childhood Obesity
2B- Increase number of developmental screens reviewed by Primary Care Clinicians
2C- Seek organizational training of health and human service providers in Trauma Informed Care

ACTION PLAN:

2A 1- Work with Condon Childcare (Other head start in Arlington) to share their BMI data every 6 months
2A 2 – Encourage School Systems to share collected data on school children heights and weights
2 B 1 – Continue to build relationships between Early Learning system screeners and primary care clinicians to ensure that a timely review occurs
2C 1 – Assess which organizations have conducted Trauma Informed Care trainings

ESTIMATED BUDGET NEEDED:

2C 1 – Estimated cost of bringing in certified trainers

POTENTIAL FUNDING SOURCES:

Eastern Oregon Coordinated Care Organization
Greater Oregon Behavioral Health, Inc.
Four Rivers Early Learning Hub

PRIORITY ISSUE #3: Access and Availability of Services**PROBLEM IDENTIFIED:**

Services in Gilliam County are limited

DATA AVAILABLE:

- Focus Group – No Patient Centered Primary Care Homes in Gilliam
- Incentive Measure - % of patients assign to a PCPCH – Of 327 members in 2017 85 were assigned to North Gilliam Health District and 133 to South Gilliam Health District
- Cost and Utilization Report 33% of EOCCO Plan Members consumed NO primary care in 2017
- Focus Group – “some children do not have the spectrum of well child services in the county. They must go outside for services”

GOALS:

3A- Work with North and South Gilliam Health Districts to establish status a Patient Centered Primary Care Home

3B- Increase access to immunizations in North Gilliam through the Vaccines for Children program

ACTION PLAN:

3A 1- Continue to have a representative at the North and South Gilliam Health District meetings quarterly

3A 2- Offer the services of EOCCO/GOBHI Practice Transformation resources

3B 1- Worth with the Arlington Clinic to implement VFC program

ESTIMATED BUDGET NEEDED:**POTENTIAL FUNDING SOURCES:**

Eastern Oregon Coordinated Care Organization
North Central Public Health

PRIORITY ISSUE #4: Oral Health

PROBLEM IDENTIFIED:

Lack of dental care access for Medicaid recipients

DATA AVAILABLE:

- Dental services limited
- Incentive Measure – Dental Sealants 25.8% 2018 Met Measure

GOALS:

4A- Implement and Monitor Tele-Dentistry Program in Arlington and Condon

ACTION PLAN:

4A 1- Serve as liaison between providers sites in Condon / Arlington and Advantage Dental From DentaQuest

4A 2- Promote the use of the Tele-Dentistry Services

4A 3- Monitor Utilization to ensure residents are aware of the services

ESTIMATED BUDGET NEEDED:

POTENTIAL FUNDING SOURCES:

Eastern Oregon Coordinated Care Organization
Oregon Health Sciences University – Implementation Research
Advantage Dental From DentaQuest
