## EOCCO Referral and Authorization Instructions

The EOCCO Referral and Authorization Guidelines provide information on self-referable services, prior authorization requirements and services that do not require authorization. This information is subject to change and can be accessed from the EOCCO website at <https://www.eocco.com/providers/referral-auths>.

### REFERRAL & AUTHORIZATION INFORMATION

- Referral and prior authorization requests may be phoned in to 503-265-2940, toll free 888-474-8540, or faxed to 503-243-5105
- Referral and prior authorization requests for members residing in Morrow and Umatilla may be faxed in to 541-215-1207
- Most referrals are approved for a 180 day time span

### DUAL ELIGIBLE MEMBERS

For Members who are eligible for both the EOCCO and a Medicare or a commercial insurance plan, a referral or prior authorization is not required except for the following:

- Any service or procedure not covered by Medicare or the commercial insurance plan
- All transplants: solid organ, autologous or allogenic bone marrow
- Bariatric Surgeries
- Drugs requiring prior authorization
- Services below the line or not covered by EOCCO (when consideration for coverage is being requested)

**\*\*\*NOTE: the primary insurer's EOB must be submitted with claims\*\*\***

### SERVICES REQUIRING REFERRAL

- The service(s) that are below the line or non-funded on DMAP's Prioritized List of Covered Services
- Services not listed on DMAP's Prioritized List of Covered Services
- PCP to PCP referrals outside of call share
- Requests to out-of-network specialists and ancillary providers
- Standard Prior Authorization requirements apply.

### SERVICES THAT DO NOT REQUIRE A REFERRAL (when performed by participating providers)

- Member's assigned PCP refers to an in-network specialist or an in or out-of-network orthopedic provider
- The service(s) are covered on DMAP's Prioritized List of Health Services (above the line)
- The specialist must receive a verbal request from the member's assigned PCP before seeing the member walk-ins will not be allowed
- In-office surgeries are included, if above the line (prior authorization requirements still apply)
- Specialists wanting to refer members to another in-network specialist or ancillary provider (PT, OT, SPT) will request the prior authorization directly from EOCCO and inform the member's assigned PCP
- Referral requirements are waived for members within the first 30 days of EOCCO membership
- Referrals for Hospital Dentistry are not required

Services are subject to eligibility and plan provisions in effect at the time services are rendered. The EOCCO does not cover services or supplies not covered by The Oregon Health Plan.

For more Information on referrals, please see the EOCCO Provider Manual, pages 15-17

<https://www.eocco.com/providers/manuals-guidelines>

### **SELF-REFERABLE SERVICES (when performed by a participating provider)**

- Sexual Abuse exams
- Urgent and emergency care
- Women's annual gynecologic exam
- Family planning and birth control
- Prenatal Care
- Routine vision exams for eligible members
- Immunizations
- Outpatient substance use treatment
- Outpatient Mental Health

**Please also check to see if the service(s) requires prior authorization. Obtaining a referral does not change the requirement for the services(s) to be prior authorized.**

### **REFERRAL REQUEST REQUIREMENTS**

Make sure the referral request is complete and contains:

- All pertinent patient information (name, ID #, group # and patient's birth date) PCP information (name, TIN, phone, fax and contact name)
- Diagnosis code
- Specialist information (full name, TIN, phone, fax, contact name and address) Return fax number, when applicable
- Start and end date of the referral (Cannot be for a future service date)

**Reminders – a referral is NOT a prior authorization for procedures or services. A prior authorization is a request for treatments or procedures to be performed by the referred-to specialist. Refer to the Focus List on page 4 for services that require prior authorization.**

### **THE PRIORITIZED LIST**

These instructions and the new list of services that require authorization will become effective yearly January 1<sup>st</sup>.

EOCCO adheres to the administrative rules and guidelines set forth by the State of Oregon.

- Review and revision will occur quarterly
- Effective January 1, 2019, lines 1-469 are above the line (ATL) and considered a priority for payment by the State of Oregon
- Lines 470 – 660 are Below the Line (BTL), and are not considered a priority for payment by the State of Oregon

Services are subject to eligibility and plan provisions in effect at the time services are rendered. The EOCCO does not cover services or supplies not covered by The Oregon Health Plan.

Rev June, 2019

Effective June, 2019

- It is important to note that the appearance of a code either ATL or BTL is not a guarantee of an authorization, payment, or denial. EOCCO reviews each request based on the individual medical necessity which is unique in every case
- Unlisted codes can either be EXEMPT (symptom codes or diagnostic codes), EXCLUDED (statutorily non-covered), or codes that have not been addressed by the State for inclusion on the Prioritized List of Services
- The prioritized list is subject to change. For information regarding pending and future line placement, guidelines or Administrative Rules, please refer to the DMAP website here: <https://www.oregon.gov/oha/HPA/DSI-HERC/Pages/Prioritized-List.aspx>

### **SERVICE AUTHORIZATION INSTRUCTION AND GUIDELINES**

- The list of services requiring a prior authorization is a complete list. Updates will be made frequently and as indicated by new emerging technologies and procedures, or as DMAP makes changes to the prioritized list of services. Notification of such additions will be provided
- All elective inpatient procedures require a prior authorization, regardless of placement of the diagnosis on the prioritized list. Retroactive authorization requests will be denied unless it is established that the practitioner and the hospital did not know and could not reasonably have known that the patient was enrolled with EOCCO at the time of admission. Please see the EOCCO Provider Manual, page 19, for more information: <https://www.eocco.com/providers/manuals-guidelines>
- Long Term Acute Care Hospitals (LTACH), Inpatient Rehabilitation and Skilled Nursing Facility (SNF) stays require prior authorization
- Services and procedures performed by an out of network provider require a prior authorization
- Outpatient services not listed on the prior authorization list do not require a prior authorization for In Network providers, but are subject to the prioritized list
- Drug Codes beginning in J do not require a prior authorization unless it is specifically cited on the list of codes requiring a prior authorization, as part of the self-injectable plan, or Magellan Rx plan. Please call EOCCO pharmacy customer service at 888-474-8539, or medical customer service at 888-788-9821 if you have any questions
- Durable medical equipment including orthotics and prosthetics do not require prior authorization if the total billed charges are under \$150.00, unless otherwise cited on the list of codes requiring a prior authorization
- Home health and home infusion services require a prior authorization
- EOCCO works with Magellan Rx for home infusion services. For more information please see page 38 of the EOCCO Provider Manual: <https://www.eocco.com/providers/manuals-guidelines>
- Enteral and parenteral nutrition requires a prior authorization
  - For liquid nutrition, please submit the request with units. 1 unit per 100 calories x how many calories required per day x how many days the request extends. For powder cans, please request with feedings per can and calories required per feeding

***Emergency Room Visits do not require a prior authorization***

***Inpatient Notification is required within 1 business day***

Services are subject to eligibility and plan provisions in effect at the time services are rendered. The EOCCO does not cover services or supplies not covered by The Oregon Health Plan.
